

TASK:

Pick 1 envelope and look at the sentence which will be your writing generator. Use the details in the sentence to write a short story (50-100 words) that will have characteristics of the genre given in the envelope. Other teams will have to guess your genre so try to keep it clear and simple. Use your imagination :)

The sentence:

A retired 45-year-old assassin meets his first love at a wedding he shows up at by mistake.

Genres:

romance

mystery

science-fiction

horror

fairy tale

humour
