
Mike and Lilly

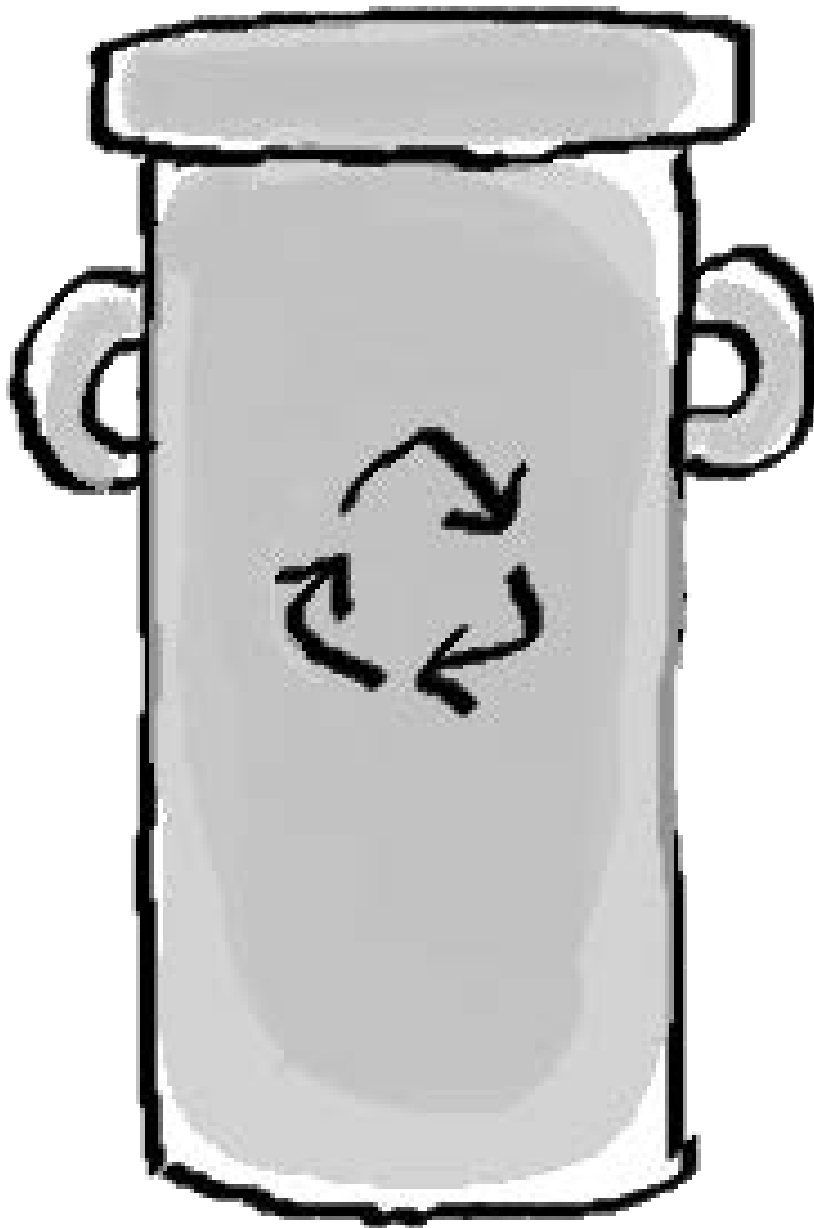

**It is easy to be green
and keep the countryside clean.**

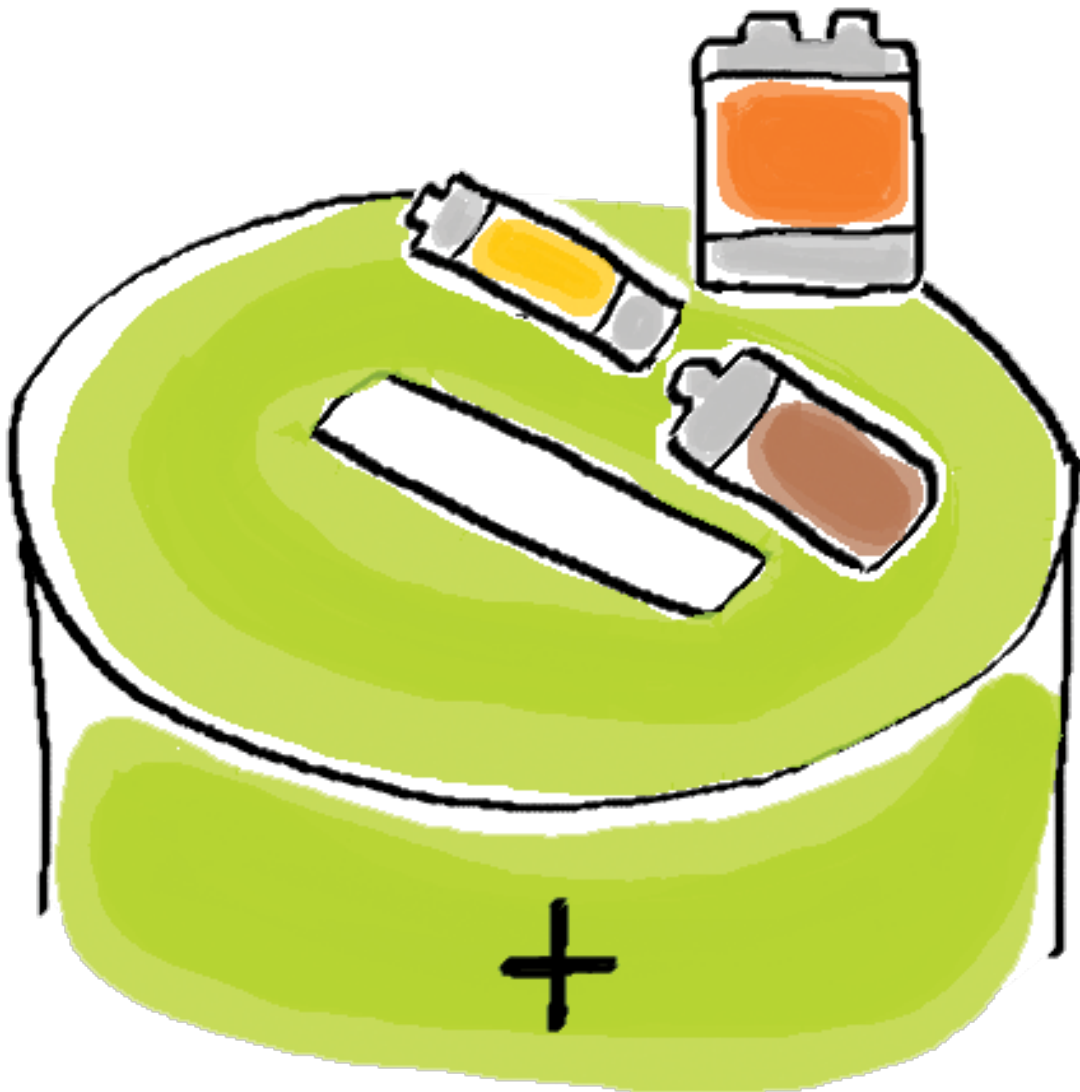

**Rubbish is everywhere!
Collect it if you care.**

**Find a special rubbish bin
to put your litter in.**

**Paper, glass and plastic.
Recycling is fantastic!**

**Place old batteries here.
Be positive, my dear!**

**But it is not enough.
Take a shower, not a bath.**

**Park the car. Ride your bike.
Look at Lilly and Mike.**

**Plant a tree, save the wood.
Respect nature, be good!**

**Take a cloth bag to the store.
Don't use plastic any more.**

**Are you sleepy? Good night,
but first switch off the light.**

**Remember, it is worth
protecting Mother Earth.**
